[An investigation of lead-time effects in manufacturing/remanufacturing systems under simple PUSH and ... - all 4 versions »](#)

E van der Laan, M Salomon, R Dekker - European Journal of Operational Research, 1999 - Elsevier
... PUSH- and PULL-strategies give priority to remanufacturing ... level at which a remanufacturing order is placed ... to the level at which a manufacturing order is placed ...

[Cited by 36](#) - [Related Articles](#) - [Web Search](#)

Critical Ratio Scheduling: An Experimental Analysis

WL Berry, V Rao - Management Science, 1975 - JSTOR

... predictions of queue time unless the **priority** content of ... evidence that the dynamic adjustment of order due dates ... loads are placed on the **manufacturing** facility ...

[Cited by 26](#) - [Related Articles](#) - [Web Search](#) - [Library Search](#)

Theory and practice of load-oriented manufacturing control - all 2 versions »

W Bechte - International Journal of Production Research, 1987 - informaworld.com

... Selecting the time limit provides **manufacturing** control with the option to consider ... Beginning with the highest **priority order** the urgent orders are released as ...

[Cited by 79](#) - [Related Articles](#) - [Web Search](#)

Using VAT analysis for determining the priority and location of JIT manufacturing techniques - all 3 versions »

A Lockamy, JF Cox - International Journal of Production Research, 1991 - Informaworld.com

... assist firms in assessing the location and **priority** of JIT ... factories within the main plant, streamlining order flow, improved **manufacturing** techniques and ...
